These Terms & Conditions should therefore be retained for future reference.
- v. The Initial Payment will be calculated on a pro rata basis to the appropriate monthly Direct Debit payment by reference to the number of days between the date on which membership commences and the last day of the month in which membership commences (both days inclusive). Therefore, by way of example, if a member joins on the third day of the month he will pay the Starter Payment which will be calculated using the proportion of the monthly subscription fee remaining based on the amount of days remaining in the month. In circumstances where a member joins the Club after the twentieth day of the month the Company will be unable to set up the monthly Direct Debit payments and as result the member will pay the following month's subscription fee in addition.
- vi. Monthly subscription fees must be paid in accordance with these Terms & Conditions irrespective of whether or not the member uses the Club's facilities.
- vii. Members shall be given not less than 10 working days' written notice of any increase in the monthly subscription fee, in accordance with the Direct Debit Scheme Guarantee.
